5. TO RECEIVE THE CHAIRMAN'S REPORT

We sadly suddenly lost Councillor David Johnson this year. David was a huge part of our community and our Parish Council and his loss is felt by everyone. We thank David for all his hardwork over the years. The Parish Council is discussing how his memory can be commemorated within the parish.

Over the last year the following has happened:

- Great Plumstead Recreational Ground – The Parish Council are very close to entering into a contract for the replacement of the current Bowls and Scout buildings, together with a new changing room building. This project will be a

huge asset to the parish with the improvement of the facilities for the use of all.

- White gates – Together with Highways, white gate have now been installed on Green Lane, Thorpe End, Plumstead Road, Thorpe End (either end of the village), Salhouse Road, Little Plumstead. There is still one set to be installed on the Brick Kiln end of Salhouse Road Little Plumstead.
- Padgate, Thorpe End – The Parish Council were able to use CIL which was generated from the Halsbury Development on Salhouse Road, Sprowston to replace the majority of the play equipment at Padgate which was starting to show signs of disrepair.
- SAM2 – From the Highways Fund which was passed to the Parish Council from the Hamilton Close development the Parish Council were able to purchase a second SAM2 sign for rotation around the parish to help with speeding issues.
- Sandhole Lane – Sadly over the years a large amount of green waste, together with some larger items, had been dumped on Sandhole Lane, Little Plumstead. The Parish Council cleared the site this year to help expand the size of the field for all the public.
- Rosebery Field in Great Plumstead – Has now been landscaped and re-sown with grass. Trees have been planted and the area is open for public use.

The Chairman thanked the Clerk for her work over the last year, together with Councillor Ian Mackie for his ongoing support to the parish.

The Chairman confirmed that the Parish Council currently has 2 vacancies and welcomed anyone who is interested in a role.
